

CANON COMMERCIAL PHOTOGRAPHY LAB: BUILD WORK-READY SKILLS THROUGH EXPERIENCE

Elevate your SHSM program with industry-led training that gives your students access to technology and connections with career paths in the creator economy.

SECTOR PARTNER EXPERIENCE: PREPARING SHSM STUDENTS FOR REAL-WORLD CAREERS THROUGH PRACTICAL, INDUSTRY-LED LEARNING.

INDUSTRY-LEADING TECHNOLOGY:

Hosted at Canon Canada HQ, students get hands-on experience with industry-leading photography gear, including mirrorless cameras, lenses(1 per 2 students), professional lighting, and accessories.

REAL-WORLD COMMERCIAL EXPERIENCE:

Students work in small teams on a commercial photography project, guided by an expert instructor who provides live demonstrations and ongoing coaching from start to finish.

PROFESSIONAL PITCHING AND CERTIFICATION:

Students finish the program by pitching their projects to industry leaders, gain recognition for outstanding projects, and earning a Canon Canada Commercial Photography Certification that validates their skills and creativity.
